

## DLS-2000A End Of Life Notice

Posted on June 4, 2014

Dear DLS-2000A Customers,

In order to provide you the best possible information to plan for your sales and marketing activities, LMI Technologies is announcing this End of Life (EOL) notice on the following products.

The selected products below are available for sale at the published prices from the date of this notice up to and including the Last Time Buy (LTB) date. After the LTB date, these products will be supported for repair during the service period specified from the LTB Date. The service period is an estimate, which is based on component availability. Where components have become obsolete, LMI Technologies has done a last time buy to secure inventory based on historical repair volumes.

| Part Description | Part Numbers | Product Type | LTB Date       | Service Period                                | Replacement Product |
|------------------|--------------|--------------|----------------|-----------------------------------------------|---------------------|
| DLS2000A 4-12    | 30036        | Sensor       | March 31, 2014 | Up to 4 years and nine months or Dec 31, 2018 | Gocator 1300 Series |
| DLS2000A 10-24   | 30115        | Sensor       | March 31, 2014 | Up to 4 years and nine months or Dec 31, 2018 | Gocator 1300 Series |
| DLS2000A LR      | 30069        | Sensor       | March 31, 2014 | Up to 4 years and nine months or Dec 31, 2018 | Gocator 1300 Series |

**TABLE 1** - *Product(s) affected by this announcement and associated timelines..*

LMI is aware that this may have an impact on your organization. We want to work closely with your company to review your product migration and help you to interface with LMI's newer generation products. Our Business Development Manager will be in contact with you to discuss this transition period directly and address any questions or concerns regarding these changes.

**Best Regards,**  
Terry Arden  
CEO
