EOL: Gocator 3109 (Rev B) End of Life Notice

This is an End of Life (EOL) product notice for the Gocator 3109B sensor.

The replacement product for the Gocator 3109B sensor is the Gocator 3210 sensor, which provides a larger field of view and a similar resolution to that of Gocator 3109. In addition, Gocator 3210 offers an industrial light source that is 3x brighter (compared to Gocator 3109B) with a continuous operational lifetime of up to 10 years and a more powerful dual-core processor offering hardware acceleration for faster acquisition and processing.

Gocator 3109B sensors are available for sale at the published price from the date of this notice up to and including the Last Time Buy (LTB) date.

The end of service date below is an estimate based on component availability. Where components have become obsolete, LMI Technologies has completed a last time buy to secure inventory based on historical repair volumes.

Part Description	Part Number	LTB Date	Estimated End of Service
Gocator 3109B	313109B-LED-B-01	March 31, 2020	December 31, 2024
Note: The service period of repaired devices ends on the End of Service date indicated above.			

The above information is effective immediately. If you have any questions, please contact contact@lmi3d.com or your LMI account manager.
