

March 6, 2025

Dear LMI Customers,

Well that was quick! As the US tariffs on Canadian manufactured products have been paused again until April 2nd, LMI Technologies will terminate the use of any surcharges for US shipments.

With any luck, this will be the last notification I need to send on this topic.

Thank you for your patience and your continued business.

Sincerely,

A handwritten signature in black ink, appearing to read 'Len Chamberlain'.

Len Chamberlain
Chief Commercial Officer
LMI Technologies
